Re: Agenda Items F-24 - Opposition Public Comment

Good morning Chair Denis and Committee Members,

I write today in opposition to agenda item F-24.

Capital improvement projects, even when delayed, are not what Congress had in mind when they passed the American Rescue Plan Act (ARPA) during the pandemic. This \$87,690 could instead fund quality services for a Desert Regional Center (DRC) client for part of a fiscal year.

Thank you for your time and consideration. Please feel free to contact me at  and/or 
 with any questions.

Sincerely,

/s/ Steven Cohen
