Re: Lake Tahoe Restoration Reauthorization Act

Dear Senator Cortez Masto, Senator Rosen, Senator Feinstein, Senator Padilla, Congressman Amodei, and Congressman McClintock:

Nevada's Legislative Committee for the Review and Oversight of the Tahoe Regional Planning Agency (TRPA) and the Marlette Lake Water System (MLWS) meets every interim between legislative sessions to review the budget, programs, activities, responsiveness, and accountability of the TRPA and the MLWS in the Lake Tahoe Basin.

At its final meeting and work session on [August 31, 2022](#), the Committee voted unanimously to send this letter to the Congressional Delegation representing the Lake Tahoe Basin expressing the Committee's support for passage of the [Lake Tahoe Restoration Reauthorization Act](#) (S. 1583, 117th Congress).

Along with the States of Nevada and California, the private sector, and local governments, the federal government is a vital partner in protecting the Lake Tahoe Basin. The Lake Tahoe Restoration Act of 2016 ([Pub. L. 114-322, 130 Stat. 1778 \[2016\]](#)) renews the federal commitment to Lake Tahoe, where more than 75 percent of the land within the Lake Tahoe Basin is owned by

Congress Members Amodei and McClintock

the federal government. Reauthorization of the Lake Tahoe Restoration Act is critical to the continued support of the Environmental Improvement Program and to achieve regional environmental goals.

Thank you for your consideration of this request.

Sincerely,

Assemblywoman Sarah Peters, Chair
Legislative Committee for the Review and Oversight of
the Tahoe Regional Planning Agency and the Marlette Lake
Water System
