

Senator Robert Lange and Committee Members,

I am a member of Teamsters Local 14 and work as support staff for CCSD. I'm writing today to ask that you allocate funds to our support staff members at CCSD. SB231 passed over 6 months ago, with the intention of raising wages for Support Staff members.

In our role at CCSD as Support Professionals, we help keep the schools running and keep the schools safe for students across the state to attend. Our role is integral to the functioning of the school district. Yet for many of us, our wages do not represent the value of our roles. As inflation has taken a toll on families across the nation, our families also are struggling to make ends meet. Many of us are working two or three jobs to survive, and co-workers complain that they've had to resort to selling possessions. We know that we deserve better, and we hope that you do too.

We ask that you act swiftly to allocate these funds, so that we can continue to focus on providing the best learning environment for Nevada's students.

Thank you for your time and consideration!

Signed,
