MEETING

Dear Sir/Madam:

I kindly request information for the upcoming Legislative Committee for the Review and Oversight of the Tahoe Regional Planning Agency . . . Agenda at <https://www.leg.state.nv.us/App/InterimCommittee/REL/Interim2023/Meeting/34428>. My concerns are with microplastic pollution at Lake Tahoe that the Tahoe Regional Planning Agency has caused and is continuing to cause, together with a host of other state, federal and local agencies.. I plan to provide written information and testify during the public comment period for Item XI, and I request any available information concerning the related items IX. - XI., with all haste. Thank you, Alan Miller, Professional Engineer
