Data as of: December 1, 2013
Teacher data as of: May 1st (2008-current)
District totals do not include state or district sponsored charter school data. (2008-current)
"N/A" indicates that the data are not applicable to this population
"*" indicates that the data were not available
"." indicates data not presented for populations fewer than 10. These data are suppressed due to FERPA regulations.

(H) = High Poverty School - defined as being within the bottom quartile throughout the state of percentages of students who qualify for free or reduced-price lunch
(L) = Low Poverty School - defined as being within the top quartile through the state of percentages of students who qualify for free or reduced-price lunch
"HQT" = High Quality Teachers - defined as teachers who hold a minimum of a bachelor's degree, are licensed to teach in the state of Nevada, and have demonstrated competence in their teaching area. Data were obtained from the Office of Teacher Licensure as of May 2013.
"NSPF" = Nevada School Performance Framework - defined as a school measurement system based on star-ranking system, with 1 star being the lowest and 5 stars the highest possible. Information on the ratings or rankings of schools can be found via the website at nspf.doe.nv.gov
Title I Focus schools are schools that rank the lowest statewide according to the measures put forward by the NSPF
"MS / ES" = Percentage of students performing in the Meets Standards or Exceeds Standards range of achievement on the NV Criterion Referenced Test

1: Per pupil expenditures are reported as totals with four subcategories: Instruction, Instruction Support, Operations and, Leadership. These figures are higher than state data reported elsewhere, indicating that federal funds are included in the accountability reports. As of June 2014, these data are not disaggregated by their sources.
