The Honorable Sandra Jauregui
Chair, Legislative Commission
401 South Carson Street
Carson City, Nevada 89701

Dear Chair Jauregui and Members of the Legislative Commission:

As Chair of the Sunset Committee (Section 27 of [Senate Bill 226](#), Chapter 455, *Statutes of Nevada 2025* at page 2935), I am respectfully requesting the Legislative Commission's approval for the Sunset Committee to hold two additional meetings during the 2025–2026 Interim, beyond the four meetings that were approved on October 28, 2025.

Pursuant to subsection 3 of NRS [218E.330](#) and Section 27 of [SB 226](#), which applies NRS 218E.330 to the Sunset Committee, the Legislative Commission is required to review and approve the budget and work program for the Sunset Committee and any changes to the budget or work program. Since its inception in 2011, the Sunset Committee has consistently held six or seven meetings each legislative interim. The establishment of the Sunset Committee—previously the Sunset Subcommittee of the Legislative Commission—as a standalone committee of the Legislature, pursuant to SB 226, does not affect the workload of the Committee. Thus, for the Committee to be as effective as ever, it would benefit from meeting six times over the course of the 2025–2026 Interim.

Please contact me with any questions.

Sincerely,

Assemblymember Shea M. Backus, Chair
Sunset Committee
