You don't often get email from k.whittenburg@hotmail.com. [Learn why this is important](#)

Hello,

My name is Kelley Whittenburg and I live in Clark County Henderson NV, 89012.

I do not support the apporoval to have the coyote killing contest. I believe the killings will imbalance the population and the coyotes will adapt.

Please reconsider these types of events as they are not humane.

Thank you
Kelley Whittenburg
