Why were the big, beautiful trees on LV Blvd by the Federal Bldg cut down?  
Those trees have provided much-needed shade for the elderly, infirm, and speakers at protests for the last year. The area is now barren, ugly, and **dangerous** (open stumps to trip over and dangerous from direct sun) **for the public expressing their 1st Amendment rights.**

Thank you,  
Barb Wolfe

*Indivisible Las Vegas builds people-powered movements to defend democracy, protect our communities, and demand a government that works for all. We organize, educate, and mobilize Nevadans to hold elected officials accountable, advance progressive values, and take collective action for justice, equity, and freedom.*

*We're a local chapter of Indivisible. We work with like-minded groups to resist fascism and promote progressive, pro-democracy policies locally and nationally.*
