Agenda Item IV B

NEVADA YOUTH LEGISLATURE VOTING PROCEDURE

- Vote by written ballots found in the meeting folders.
- Add the names of additional candidates to the ballots, if needed.
- Each candidate will be given 1 minute to speak before the vote.
- Three minutes will be given for consideration of the information presented for the first vote.
- When time is up, ballots will be cast by folding them and passing them to the right.
- Each Youth Legislator can only vote on the ballots with their names on them.
- Once time is up, the vote cannot be changed or corrected.
- Absent Youth Legislators cannot vote.
- A ballot must be correctly completed in the time allotted, or it will not be counted.
- A correctly completed ballot has the following components:
    - The box next to the person's name is completely filled in.
    - There is only one box filled in.
- Representatives of the Legislative Counsel Bureau will read the ballots aloud.
- If one candidate receives a majority of the votes, the new officer will be announced.
- If there is no majority during the first vote, the top two finalists will speak before a two-minute consideration period and second vote.
- Ballots cast for a person who is not running because the person never asked to be considered or was not a top two finalist, during the second round of voting, will not be counted.
