Your contributions of food, funds and time go directly to support the many hunger relief programs offered by Three Square Food Bank. These programs benefit over 600 Program Partners in Southern Nevada including food pantries, soup kitchens, shelters, after-school programs, senior citizens and more. Our Program Partners receive food from Three Square and distribute it to Southern Nevadans in need through their pantry and on-site meal programs.

In addition to those listed below, Three Square also offers our Agency Partners two additional Programs: Three Square's Frozen Prepared Meal Program which gives Agency Partners a convenient and nutritionally balanced option comprised of prepared and fresh food products; and our Agency Capacity Enhancement (ACE) Grants Program which offers grants to agencies for refrigerators, freezers, infrastructure, training, and other items that will enable increased food distribution.

Food Distribution

Working with bulk food providers, Feeding America and local retail and grocery stores, Three Square sources and provides perishable and non-perishable food to our non-profit and faith-based partners.

Childhood Nutrition Programs

Forty percent of the people served by Three Square's Agency Partners are children. Three Square has developed several programs to make sure our community's most vulnerable citizens get the food and nutrition they need.
