NEVADA VINE SERVICE

1-888-268-8463

www.vinelink.com

VINE is an automated service that lets you track the custody status of offenders in jail or prison over the phone or internet. You can also register to be notified by phone and/or email if the custody status of an offender changes.

Write down the following information, tear off this panel, and keep in a safe place:

Information

Call **1-888-268-8463** or visit **www.vinelink.com** and follow the instructions to access custody information.

Registration

If the offender is in custody, you can register to receive notifications.

If registering a phone number, you will be asked to create a four-digit personal identification number (PIN) that will be used to confirm that the call was received. Make sure your PIN is easy to remember. Write it down and keep it in a safe place. Email registrations do not require a PIN.

Notification

You will be notified about the following events:

- Release
- Transfer
- Escape
- Death

When VINE calls, listen to the message, then enter your PIN followed by the pound (#) key when asked. Entering the PIN lets VINE know that you received the call and will stop the service from calling you again.

Offender name

Offender number

Your four-digit PIN

- If you feel you are in danger, call 911 immediately.
- Since VINE calls automatically when an offender's custody status changes, you may get a call from VINE in the middle of the night.
- If you do not answer a notification call, VINE will leave a message. If there is no answer, VINE will continue calling back for up to 48 hours or until you enter your PIN.
- Do not register a phone number that rings to a switchboard.
- VINE is confidential. The offender will not know you are registered with VINE.
- You can register multiple phone numbers and email addresses for notifications.
- If you forget your PIN, call the toll-free number and press zero. You will be transferred to an operator who can help you reset your PIN or cancel notification.
- Operators are available 24 hours a day, seven days a week to assist you.

Do not rely solely on VINE for your safety. If you feel that you may be at risk, take precautions as if the offender has already been released.
