Why We Came to Nevada

- Documented evidence of shortage of physicians in Nevada
- Evidence of particular shortage of Primary Care Physicians
- Nevada ranks among the lowest in the nation in # nurses/100,000 population
- No Physician Assistant Program in Nevada
- No Occupational Therapy program in Nevada
- Allied Health Professionals are increasingly in demand

Sources of Funding

- Student Tuition & Fees (90%)
- Clinical Activities
- Rental Income
- Federal Work Study Program
- Philanthropy

NOTE: Touro receives no State funding!

Programs Offered

- **College of Osteopathic Medicine**
 - **Doctor of Osteopathic Medicine**
 - **Master of Physician Assistant Studies**
 - **Master of Science in Medical Health Sciences**

Touro University Nevada

What is Osteopathic medicine?

- The curriculum & training is essentially identical to allopathic (MD) medical schools
 - Addition of the Osteopathic Philosophy
 - Appreciating body's ability to heal itself
 - Respecting the body, mind & spirit interaction
 - Knowing the importance of the musculoskeletal system
 - Recognizing the relationship between structure & function
 - Utilizing manipulative medicine for diagnosis and treatment
 - Emphasis on primary care (FP, IM & Peds)

Osteopathic Medical School Enrollment and Colleges

By 2016, there will be 45% more physicians trained yearly at U.S. medical schools than in 2002

	2002	2010	% Increase	2016	% Increase
MD	16,488 (84.3%)	18,665	13%	21,376 (75.5%)	30%
DO	3,079 (15.7%)	5,233	70%	6,917 (24.5%)	125%
Combined	19,567	23,898	22%	28,293	45%
