Dear Honorable Governor Sisolak and Director Combs:

The Governor's Office of Economic Development (GOED), pursuant to NRS 231.0685, submits this Biennial report to the Legislature. This report concerns abatements from taxation approved by the office pursuant to NRS 274.310, 274.320, 274.330, 360.750, 360.752, 360.753, 360.754. While state law requires this report cover the fiscal years which are three and six fiscal years immediately preceding the submission of the report, or fiscal years 2012 and 2015, respectively, GOED, in an effort to provide the legislature with additional information, is including fiscal year reports covering all 8 fiscal years from 2010 through 2018.

The attached reports address expanded criteria based on changes to state law enacted during the 2015 legislative session requested by the legislature including but not limited to:

See the attached reports for the information regarding the following, except where noted below.

1. The dollar amount of the abatement;
2. The location of the business for which the abatement was approved;
3. The value of infrastructure included as an incentive for the business; (none approved)
4. If applicable, the number of employees that the business for which the abatement was approved employs or will employ;
5. Whether the business for which the abatement was approved is a new business or an existing business;

6. The economic sector in which the business operates, the number of primary jobs related to the business, the average wage paid to employees of the business and the assessed values of personal property and real property of the business; and
7. Any information concerning whether the business for which the abatement was approved participates or has participated in a program of workforce development, as defined in NRS 231.146, implemented by the Executive Director (Faraday Future was approved for a workforce training program pursuant to NRS 231.146).

If further information is required, please contact me at your convenience.
