

Judiciary Committee,

With regards to the increase to the marriage license fee from \$77 to \$102 to support additional funding for NCEDSV.

Las Vegas is known as the Marriage Capital of the World, this proposed bill would make Nevada the most expensive state to obtain a marriage license in the US.

The wedding venues large and small in Nevada that have survived during Covid are all still suffering. An increase to the marriage license will drive more couple to consider other cities and states. The wedding couples and guests drive millions of dollars into the local economy. With \$25 from the marriage license already going to NCEDSV, I feel we the wedding industry are adding our fair share.

A \$1 increase to the vehicle registration would generate the same required funds for the NCEDSV.

Thanks you.

All the best,
