Testimony to the Nevada Senate Committee on Health and Human Services

The Nevada Coalition for Women's Equity would like to thank you for this opportunity to testify in support of SB177, a bill that would provide resources needed by the many Nevada agencies and organizations who provide support to victims of domestic violence and sexual assault. Victims who leave abuse need safe and secure places when they flee their abuser. The organizations who provide this secure environment also provide programs that help these victims lead healthy productive lives. This cannot be done without the financial resources the state provides.

The Nevada Coalition for Women's Equity urges you to pass SB177.

Sincerely,

Bonnie Barber, Chair
Wendy Boszak, Vice Chair
