

Support Testimony, Amber Falgout, Resident Senate District 15, 3.23.23

Hello, Chair and members of the committee. My name is Amber Falgout. I am a master's level social work student and I am writing this letter to show my support for Senate Joint Resolution 7. Thank you to Majority Leader Cannizzaro for sponsoring this important legislation. As a mother of two and a person who has had a miscarriage and an abortion, I cannot overstate the need for abortion access. We have seen anti-choice politicians across the country attack abortion and the bodily autonomy of people seeking reproductive freedom. I am proud that Nevada has been a leader on this issue since the fall of Roe v. Wade. My children deserve to grow up in a state that protects access to abortion care. SJR7 will get us on the path to doing just that. I urge the committee to move this legislation forward. Thank you.
