RE: Support of SB369

To Members of the Committee:

We are writing on behalf of the Henderson Chamber of Commerce (HCC) and our over 1,800 members to express our support of SB369.

As proponents of expanding workforce development, we recognize the serious need for more healthcare professionals in Nevada. Establishing a tax credit that incentivizes businesses to donate to grant organizations that create new programs of residency training and postdoctoral fellowships within certain areas of the medical field will help generate a workforce that is needed in the state.

A strong healthcare workforce not only helps the State of Nevada, but also our members and our members’ families.

Thank you to the Committee. We look forward to working with you on policies to benefit our members and the business community.

Thank you,
