Subject: PLEASE OPPOSE AB312

PLEASE OPPOSE AB312: We don't need to pay for another appointed commission. We already have the TRPA, they ARE not elected representatives, so they don't listen to the people. HERE in Incline Village we have signed petitions, written thousands of letters and they still plan to turn the old elementary school into a bus hub (bus station). They can not hear that we do not want a bus hub in Incline Village. They are an unelected board and their salaries come from our taxes. Now the TRPA is asking for 7 million dollars from the state of Nevada. Please vote NO on AB312, no more expensive commissions that DO NOT listen to the people. PLEASE VOTE NO ON AB312. Thank you, Yolanda Knaak-Nevada Resident
