RE: Support of AB213

To Members of the Committee:

We are writing on behalf of the Henderson Chamber of Commerce (HCC) and our over 1,800 members to express our support of AB213.

HCC recognizes the importance of efficient timelines for developers as many of our members are in construction and development. In addition, our Henderson Development Association (H.D.A.) is an integral part of various projects occurring throughout Henderson. We believe AB213 will help streamline the building process throughout the state which will in turn encourage economic growth.

Thank you to the Committee. We look forward to working with you on policies to benefit our members and the business community.

Thank you,

Aviva Gordon
