

# Here's How a Parolee Gets a Temporary Revocation

For a 1st temporary revocation the majority of parolees spent more than 30 days NDOC

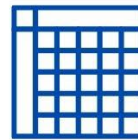

# Revise Response to Technical Violations

- Remove 30 day temporary revocation
- Authorize NPP to impose jail (1-10 days) or electronic monitoring (1-60 days) as graduated sanction

## EXISTING

Technical violation

Graduated Sanctions

Violation Report

Temporary Revocation of 30, 90, or 180 days

Return to supervision
