Dear Chair Marzola and members of the Assembly Commerce & Labor Committee,

My name is Stacey Escalante and I am on the board of the Nevada Cancer Coalition. I am writing to express my support for SB330. This bill expands patient access to breast cancer screening and diagnostic testing at no cost to the patient.

I have been a volunteer board member for the Nevada Cancer Coalition for over a decade. As a cancer survivor, constituent, and southern Nevada resident since 1997, access to care and early prevention is pivotal to me and my family. SB330 will help diagnose breast cancer early, thus reducing the costs to patients and the entire health care system. I encourage your support for SB330.

Sincerely,
Stacey Escalante
