Hello Chair Marzola and Committee Staff,

I referenced two news articles in testimony on SB63 today. For the record, the articles are attached:

1. Shared as a gift from my Washington Post account:
Meta promised parents it would shield teens from harmful content. Tests by young users and our tech columnist dad find it fails spectacularly in important ways.

2. [Meta's new hate speech rules allow users to call LGBTQ people mentally ill](#)

Thank you,
