## **DISCIPLINARY ACTION UPDATE**

### **Pasquale Laurito, DC, License No. B617 - Effective October 11, 2006**

On September 8, 2006 Dr. Pasquale Laurito stipulated that he (1) failed to report to the Board he had surrendered his chiropractic license in the State of Arizona because he believed no disciplinary action was taken by the Arizona Board, constituting a violation of NRS 634.018 (11) for unprofessional conduct, and (2) unknowingly committed unprofessional conduct under NAC 634.430(1)(e) by entering into agreement(s) with agents for the law offices of Chad M. Golightly, since such agreement(s) resulted in "Capping" and "Fee splitting" as defined in NAC 634.430(4)(a) and (b).

Dr. Laurito was ordered by the CPBN to (1) be placed on probation for three years; (2) be suspended for a period of three months during which he shall not be physically present during normal business hours at any of the chiropractic offices operated by him; (3) be automatically suspended from practice should substantial evidence be received that he has entered into any agreement(s) which violate NAC 634.430(1)(e); (4) reimburse the Board for costs of the investigation and to monitor the Agreement; (5) pay a \$5,000 fine; and (6) a Compliance Officer shall be appointed who, at Dr. Laurito's expense, shall submit quarterly reports to the Board to assure his compliance.
