Lorne J. Malkiewich, Director
Legislative Counsel Bureau
401 South Carson Street
Carson City, Nevada 89701

Dear Director Malkiewich:

The provisions of NRS 622.100 and NRS 622.110 which apply to the Medical Laboratory section of the Bureau of Licensure and Certification within the Health Division require quarterly reporting of disciplinary actions taken against laboratory personnel.

Disciplinary action is pending for Noranne Hamilton, who applied for certification as a General Supervisor, and submitted a forged letter to support her application for an upgraded certificate. We sent notice of intent to revoke her certificate as a Clinical Laboratory Technologist on February 22, 2005, and she has appealed in a letter dated March 9, 2005. The hearing scheduled for June 9, 2005 will be rescheduled because Ms. Hamilton was unable to attend after initial agreement for that date.

Should you have any questions concerning this, or other laboratory matters, please contact our office at 775-687-4475.

Sincerely,

A handwritten signature in cursive script that reads "Jennifer Duncanson #FSL" followed by a flourish.
