Dear Director Malkiewich:

The provisions of NRS 622.100 and NRS 622.110 which apply to the Medical Laboratories and Emergency Medical Services (EMS) section of the Bureau of Licensure and Certification within the Health Division require quarterly reporting of disciplinary actions taken against laboratory personnel pursuant to the regulations Chapter 652 or EMS personnel pursuant to the regulations Chapter 450B, adopted by the State Board of Health.

The Health Division's Emergency Medical Services Program, Medical Laboratory Services and Radiological Health sections have not taken any disciplinary action during this quarter.

If you have any comments or questions, please feel free to contact me at 684-4200.

Sincerely,

A handwritten signature in black ink, appearing to read "Alex Haartz".
