Re: Nevada State Board of Landscape Architecture Quarterly Report Quarter Ending 12-31-05

Dear Mr. Malkiewich:

The Nevada State Board of Landscape Architecture has six cases under investigation:

Case Numbers: 04-26, 04-28, 05-28, 05-29, 05-30, 05-31

These matters are confidential pursuant to statute until the Board approves filing an administrative complaint.

The Board is engaged in collection and follow-up activities with three resolved disciplinary cases. Additionally the Board is following up on a complaint on numerous Registered Landscape Architects who were not in compliance with ***NRS 623A.355 Inclusion of number of certificate in advertising and business cards.*** All advertising by or business cards of a holder of a certificate of registration must include the number of his certificate of registration. The Board is taking steps to educate all Registered Landscape Architects regarding this statute.

Should you have any questions regarding this report, please do not hesitate to contact me at 775 530-4602.

Sincerely,

Helen Wright
Executive Director
