**Dear Mr. Malkiewich:**

During the fourth quarter of 2003, the Nevada Board of Dispensing Opticians issued "cease and desist" orders to individuals at Walmart Vision Center as well as to the corporation. In addition, "cease and desist" orders were submitted to 5 apprentices who had failed to comply with Nevada Laws. They subsequently complied.

I understand that you have no record of our quarterly report covering April through June of 2003. During that quarter the Board took no disciplinary action.

Please feel free to contact me if you need any further information.

Sincerely,

A handwritten signature in cursive script that reads "Pat Swanson".

Executive Secretary**
