Dear Mr. Malkiewich:

Pursuant to NRS 622.110, please be advised as follows:

1. The Board of Optometry met twice during the quarter beginning April 1<sup>st</sup>, 2004, and ending June 30<sup>th</sup>, 2004.
2. The Board reviewed six complaints filed against a licensee, three of which were dismissed. The Board dismissed another complaint, but directed a letter of caution be sent to the licensee. The Board ordered a formal accusation be filed on the one complaint. An administrative fine in the amount of \$200 was paid by a licensee as a stipulated disposition of the final complaint considered.
3. The Board, as a stipulated settlement for a pending accusation, imposed a 5 year probationary period, and collected a \$2,000 administrative fine.
4. The Board continued, at the request of the licensee, a subpoena to appear and produce documents.

If you need further information, please do not hesitate to contact me.

Sincerely,
