Dear Mr. Malkiewich:

Pursuant to NRS 622.110, please be advised as follows:

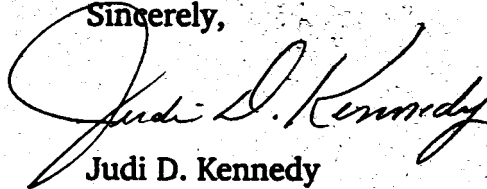

1. The Board of Optometry met twice during the quarter beginning July 1st, 2005, and ending September 30th, 2005.
2. The Board considered three complaints filed against licensees.
 - A. The Board dismissed two of the complaints. One complaint was dismissed based on resolution, one complaint was dismissed for lack of merit.
 - B. The Board voted unanimously that a formal accusation be filed against the respondent in the remaining complaint. At its subsequent meeting, based on correspondence from the respondent's attorney, the Board continued the accusation for further consideration at its next regular meeting.
3. The Board voted unanimously to counter a proposal for the stipulated disposition of a pending accusation based on correspondence from counsel for the respondent.

4. The Board reopened a matter concerning an optometrist who was in default of a stipulated order to attend court ordered drug and alcohol counseling. The optometrist's license had previously been placed in a probationary status pending the completion of Court ordered drug and alcohol counseling. The Board voted unanimously to suspend the optometrist's license, noting the licensee was in default under the prior stipulated Board order, and was, at the time of the meeting incarcerated for failure to comply with Court orders.
