Private Investigator's Licensing Board compliance summary per Senate Bill No. 420.

The Private Investigator's Licensing Board is the regulatory agency for issuing a state license to Private Investigators, Private Patrolman, Process Servers, Repossessors, Canine Handlers and Polygraph Examiners. The authority for this Board is Nevada Revised Statute 648 and Nevada Administrative Code 648.

The Board's quarterly meeting was on March 6, 2002, in Las Vegas, Nevada. The Board agenda did reflect potential disciplinary action on a licensee. However, the licensee could not attend and it was held over until the June 11 meeting in Reno, Nevada.

The Board also has the authority to cite for unlicensed activity and at the March meeting; the Board agenda reflected that Mr. William Brooks continued his appeal hearing for unlicensed activity until June 2002. In addition, Mr. Patrick Andler and Ms. Susanne Madison had appealed their unlicensed activity citations. After the Board heard the evidence, they voted to uphold the issuance of the citations and both parties were instructed to pay \$2500 each for their illegal activity in the State of Nevada.
