Private Investigators Licensing Board compliance summary per Senate Bill No. 420

The Private Investigators Licensing Board is the regulatory agency for issuing State licenses to Private Investigators, Private Patrolman, Process Servers, Repossessors, Canine Handlers and Polygraph Examiners. The authority for this Board is Nevada Revised Statute 648 and Nevada Administrative Code 648.

The quarterly meeting was held on December 5, 2007. The Board has the authority to issue citations for unlicensed activity and notices of violations for non-compliance of NRS and NAC 648. There were two appeal hearings.

The Board upheld the two notices of violations, but reduced the amount of the fine and suspended the difference for a period of one year, so long as there were no additional infractions within that period of time.
