Dear Mr. Malkiewich:

It has come to my attention that this office did not submit reports of disciplinary action for the quarter that includes October, November and December 2004. Please accept my sincere apology for this oversight.

This is to inform you that within the last quarter of 2004, the Board of Psychological Examiners dismissed seven (7) complaints and voted for a license revocation for one psychologist because of his failure to comply with the Board's previous orders. The Board's records reflect there were six (6) new complaints filed during that time.

Attached is a copy of the revocation order signed December 13, 2004 by our President, Dr. Paula Squitieri. If you have any questions please do not hesitate to contact this office at the number above.

Sincerely,  
for the Board of Psychological Examiners

  
Laverta MacKie  
Office Manager
