Lorne J. Malkiewich, Director
Legislative Counsel Bureau
401 South Carson Street
Carson City, NV 89701-4747

Dear Mr. Malkiewich:

Pursuant NRS 622.100, the Board of Examiners for Social Workers is submitting the required quarterly disciplinary report for the period of October 1, 2007 through December 31, 2007. On October 1, 2007, the Board records reflected thirty three (33) active allegation files. An adjustment was made to the June 30, 2007 figure reported last quarter because the report did not reflect that one of the consent decrees reported covered two allegation files. During the quarter the Board received six (6) new allegations and dismissed two (2) allegations. There was no disciplinary action taken during this quarter. On December 31, 2007, thirty-seven (37) allegations files remained open.

Pursuant to SB 310 which passed in the 2007 legislative session, the following information has been added to this quarterly report.

20 Social Workers
1 Independent Social Worker
12 Clinical Social Workers
33 Total new social work licenses issued

During this same period, 46 social work licenses expired and are no longer valid. This included 7 Clinical Social Workers, 1 Independent Social Worker, 35 Social Workers (7 which received a higher level of licensure) and 3 Associates in Social Work. Accordingly, there was a net loss of 13 social work licenses. On December 31, 2007, there were:

625 Clinical Social Workers
26 Independent Social Workers
1302 Social Workers
211 Associates in Social Work
2172 Total social workers licensed in the State of Nevada.

Please feel free to call me if you have any questions.

Sincerely,

NEVADA BOARD OF EXAMINERS
FOR SOCIAL WORKERS

Executive Director
