The Nevada Senate's Simulation Experience

INVOCATION LEADER

- You are considered a guest participant in the Senate Chamber. Typically, you are not a role-playing Senator or staff member, but you can be.
- After the Secretary calls the roll, you will provide thoughtful and positive remarks that set the tone for respectful deliberation and decision making by the Senate, prior to the start of the floor session.
- Encourage and thank your colleagues for their time and participation in today's simulation.
- You are introduced by the President and give your invocation from the Presiding Officer's podium to everyone in the Senate Chamber and Gallery.
- After your remarks are done, stay standing and join everyone in the Pledge of Allegiance lead by the President.
- If you have no other role to play, take the seat to the left of the President for the remainder of the program.
