April 25, 2019

Director of the Legislative Counsel Bureau
Nevada Legislature
401 S Carson Street
Carson City NV 89701-4747

Director of the Legislative Counsel Bureau,

This report has been developed in accordance with NRS 449.4465 which requires the Division to prepare a quarterly report that identifies the discharge location of each patient of a surgical center for ambulatory patients and compares the discharge location of patients of surgical centers for ambulatory patients in different geographical regions of this State. It also requires the Division to submit the quarterly report to the Director of the Legislative Counsel Bureau for transmittal to the Legislature.

Attached you will find a report, for the fourth quarter of calendar year 2018, showing the location of discharge for patients in Nevada's licensed ambulatory surgical centers and a comparison of the different geographical regions in Nevada.

There were three newly licensed surgical centers in quarter four of calendar year 2018 that did not report for this quarter. Each of these surgical centers have been contacted and sent the information needed to get set up for reporting.

Within the attached report, NULL means the description for that information came through with no value. This was an insignificant number at less than 1% of the total reported.

If you have any questions about the information provided in this report please do not hesitate to contact Leticia Metherell, RN, CPM, Health Program Manager III at 775-684-1045.

Sincerely,

A handwritten signature in blue ink that reads "Leticia Metherell".

Leticia Metherell, RN, CPM, Health Program Manager III
