Re: Docket Nos. 18-07001, 18-07002 & 18-07003

Dear Mr. Combs:

Pursuant to NRS 704.069(2), the Public Utilities Commission of Nevada ("PUCN") conducted consumer sessions of general interest in Washoe and Clark Counties. The sessions were conducted September 6, 2018, in Washoe County and September 19, 2018, in Clark County. Sessions were conducted for each county and copies of the transcripts for those sessions are included on the enclosed USB Flash Drive. Also, included on the USB Flash Drive are comments and information that were provided by consumers who attended.

Pursuant to NAC 703.164 (1), the PUCN also held a general consumer session in Elko County (Docket No. 18-07003) on September 27, 2018.

The sessions were publicly noticed in newspapers of general circulation and advertised in utility bill inserts as well as in press releases issued by the PUCN.

If you or any members of the Legislative Commission have questions regarding this matter, please feel free to contact me at (775) 684-6177.

Sincerely,

A handwritten signature in black ink, appearing to read "Stephanie Mullen".
