#### Overall Statistics:

- During **the 2018-2019 academic year**, there were a total of **7,625 tips** reported to SafeVoice Nevada across all Districts and Charters.
- From its roll-out, SafeVoice Nevada has received a total of **10,357 tips** as of June 30, 2019.
- The most frequent tip event type across all districts was **bullying**.
- **Suicide threats** and **Self-Harm** reports accounted for 1,190 tips or 11.67% of all tips received through SafeVoice.
- Although significantly more tips were received from the Clark County School District as compared to all others, the number of tips was not disproportionate to expectations based on student population.
- The Department of Public Safety Communication Specialists audit and update all School Multidisciplinary Team lists and Recipient lists for schools and school districts. When schools are not in session, tips are monitored by Summer Response Teams designated by Districts and updated through DPS.
- Daily audits of all tips are conducted and reviewed by DPS supervisors.
- As required by Nevada Administrative Code 388.870-399.925,
