RE: 2025 Biennial Report on the Southern Nevada Enterprise Community (SNEC)

Pursuant to the Special Act of the Nevada Legislature the Southern Nevada Enterprise Community Infrastructure Improvement Act, Chapter 407, Statutes of Nevada 2007, the SNEC Board submits to the Director of the Legislative Counsel Bureau, for transmittal to the Nevada Legislature, the enclosed report on the activities of the SNEC Board for 2024.

Please contact our Administrator, Brian Neeley-Cruz, if you have any questions or require additional information.

Sincerely,

Dontae Scott

Chair Dontae Scott

Biennial Report on the Southern Nevada Enterprise Community (SNEC)

January 30, 2025

Activities of the SNEC Board in 2024:

During the calendar year of 2024, the SNEC Board began its collaboration with both the Las Vegas Global Economic Alliance (LVGEA) and the Regional Transportation Commission of Southern Nevada (RTC) in the creation of the next iteration of the Comprehensive Economic Development Strategy (CEDS). These entities collaborated on a Planning and Local Technical Assistance grant application to the US Economic Development Administration (EDA) for funds to support the contractors that will handle the creation of a CEDS plan. An equity-woven CEDS plan will allow Southern Nevada and SNEC to more competitively apply and received federal funds to support our work.

The Board held four (4) meetings, which included presentations and discussion from the following organizations regarding their activities affecting the SNEC-designated census tracts:

- Nevada Department of Health and Human Services, regarding Project 354 Workforce Development and Outreach
- City of Las Vegas on workforce efforts by the Youth Development & Social Initiatives department
- Nevada Grant Lab, regarding the Southern Nevada Regional Coalition's application to the EDA's Distressed Area Recompete Pilot Program
- United States Economic Development Administration, regarding the administration's investment priorities
- Southern Nevada Regional Housing Authority, regarding equity in the Las Vegas Historic Westside and Eastside communities
- City of North Las Vegas, regarding equity in distressed communities in North Las Vegas
- Las Vegas Global Economic Alliance, regarding updates for the CEDS and the Planning and Local Technical Assistance grant application to the EDA
- Nevada Partners, Inc., regarding the Clark County School District-funded "Learning Acceleration and Wraparound Support Youth Education Program"

Activities of the SNEC Board in 2023:

During the calendar year of 2023, the Southern Nevada Enterprise Community (SNEC) Board held five (5) meetings, which included presentations and discussion from the following organizations regarding their activities affecting the SNEC-designated census tracts:

- Clark County Regional Business Development Advisory Council, regarding the Clark County Regional Business Development Advisory Council
- Nevada Partners, Inc., regarding the West Las Vegas Promise Neighborhood
- Nevada Governor's Office of Economic Development, regarding strategies to encourage economic development in the SNEC District
- Clark County Department of Environment and Sustainability, regarding Clark County's Energy Efficiency and Conservation Block Grant (EECBG)
- Clark County Government Affairs Department, regarding legislation passed during the 2023 Nevada Legislative Session
- Nevada Grant Lab, regarding the Southern Nevada Regional Coalition's application to the EDA's Distressed Area Recompete Pilot Program for Phase 1 Recompete Plan Approval
- College of Southern Nevada, regarding the Southern Nevada Regional Coalition's application to the EDA's Distressed Area Recompete Pilot Program for Phase 1 Recompete Plan Approval
