To Whom it May Concern:

Pursuant to NRS 439.877(4)(d) (AB280), which requires patient safety committees in medical facilities to report annually on the facilities review, revision, and usage of patient safety checklists and policies, the following is a summary of Desert View Hospital activities during June 2023 to June 2024.

All checklists and policies were reviewed. A few checklists were revised, and several patient safety policies required minor revisions. Desert View Hospital Patient Safety Program Policy includes the patient safety and policy compliance requirements. Attached you will find a report summarizing the specific checklists and policies.

Please do not hesitate to contact me or my staff should you require additional information.

Sincerely,

Kristine Herpin

*Checklists and Patient Safety Policies were reviewed for the stated time period. Need for revision is noted by the date the revision was made.

**Usage outlines the units/departments the checklists are used in.

***As part of the annual review any required revisions will be identified. If revisions are required this is noted in the revision box. Any additional patient safety checklists or policies identified will be noted in this (review) column. If the annual review reveals no changes are required this box will be marked with an "X". An "X" means that the checklists and policies were reviewed but no changes were required.
