IO 20288

Washoe County Health District, Air Quality Management Division

Department of Motor Vehicles - Pollution Control Account, Dedicated Funds
Fiscal Year 2024
Annual Report

Objectives and Progress Towards NRS 445B.830.2(d)

Objective 1: National Ambient Air Quality Standards (NAAQS)

1. Supported salaries for staff to:
 - a. Implement the Ozone Advance program to encourage voluntary programs to maintain the NAAQS.
 - b. Coordinate with local, regional, state, and federal transportation planning organizations to ensure transportation plans conform to State Implementation Plans (SIPs).
 - c. Develop SIPs including rule revisions.
 - d. Collaborate with local agencies to ensure Health District goals are incorporated in their Regional Plans, Master Plans, Sustainability Plans, and Transportation Plans.
 - e. Participate in NAAQS-related trainings and conferences.

Objective 2: Ambient Air Monitoring for Criteria Pollutants

1. Supported salaries for staff to:
 - a. Maintain seven SLAMS, PM_{2.5} Speciation, and NCORE monitoring stations in accordance with 40 CFR 58.
 - b. Recertify flow, temperature, and pressure standards to ensure data quality.
 - c. Report near-time air pollutant data to AirNow.
 - d. Participate in ambient air monitoring-related trainings and conferences.

Objective 3: Permitting and Compliance

1. Supported salaries for staff to:
 - a. Evaluate over 1,300 stationary sources for compliance with local, state, and federal air quality requirements.
 - b. Participate in permitting and enforcement-related trainings and conferences.

Objective 4: Administration, Outreach, and Special Projects

1. Supported salaries for staff to:
 - a. Develop and distribute educational material via outreach events, social media, and traditional media.
 - b. Develop and implement outreach programs to support AQMD programs including Ozone Advance, Keep it Clean, Know the Code, RackEm Up, nOzone, Be Smoke Smart, and Be Idle Free.
 - c. Support the “ONE Regional Licensing & Permits” system to streamline the permitting process in Washoe County.
 - d. Participate in administrative, outreach, and special projects-related trainings and conferences.
