About Aging & Disability Services

The following statistics are provided to the Department of Public Safety from the Nevada Department of Aging and Disability Services. The information provided comes from the Aging and Disability Service's Elder Protective Services Unit. Local law enforcement data collected by Aging & Disability Services is not taken into account in this publication due to duplication of data. Substantiated and unsubstantiated incidents reported are considered. These figures are published exactly as Aging and Disability Services presents them to the Department of Public Safety.

NRS 200.5093 Report of abuse, neglect, exploitation, isolation or abandonment of older person; voluntary and mandatory reports; investigation; penalty.

1. Any person who is described in subsection 4 and who, in a professional or occupational capacity, knows or has reasonable cause to believe that an older person has been abused, neglected, exploited, isolated or abandoned shall:

(a) Except as otherwise provided in subsection 2, report the abuse, neglect, exploitation, isolation or abandonment of the older person to:

(1) The local office of the Aging and Disability Services Division of the Department of Health and Human Services;

(2) A police department or sheriff's office; or

(3) A toll-free telephone service designated by the Aging and Disability Services Division of the Department of Health and Human Services; and

(b) Make such a report as soon as reasonably practicable but not later than 24 hours after the person knows or has reasonable cause to believe that the older person has been abused, neglected, exploited, isolated or abandoned.

2. If a person who is required to make a report pursuant to subsection 1 knows or has reasonable cause to believe that the abuse, neglect, exploitation, isolation or abandonment of the older person involves an act or omission of the Aging and Disability Services Division, another division of the Department of Health and Human Services or a law enforcement agency, the person shall make the report to an agency other than the one alleged to have committed the act or omission.

3. Each agency, after reducing a report to writing, shall forward a copy of the report to the Aging and Disability Services Division of the Department of Health and Human Services and the Unit for the Investigation and Prosecution of Crimes.

Note: Totals in the various categories may not match because of the variations of number of offenders for each victim, possible multiple victims for each offense, and the possibility that one victim could have sustained multiple types of abuse.
