Patient Safety Checklist	1	0	All checklists reviewed by Patient Safety Committee
Patient Safety Policy	1	0	Complete P & P Review by Patient Safety Committee and Governing Body

*Checklists and Patient Safety Policies were reviewed for the state time period. Need for revision is noted by the date the revision was made.

**Usage outlines the unit/departments the checklists are used in.

***As part of the annual review any required revisions will be identified. If revisions are required, this is noted in the revision box. Any additional patient safety checklists or policies identified will be noted in the (review) column. If the annual review reveals no changes are required this box will be marked with an "X". An "X" means that the checklists or policies were reviewed but no changes were required.
