Re: Fiscal Year 2017-18 Annual Accomplishment Report for Direct Allocation Funds, Pollution Control Account—NRS 445B.830

Dear Mr. Combs:

The Clark County Department of Air Quality (DAQ) submits the subject report pursuant to Section 445B.830.5 of the Nevada Revised Statutes (NRS). The report itemizes the monthly achievements made possible by the Nevada Department of Motor Vehicles' quarterly and annual distributions of funds in the Pollution Control Account to DAQ in accordance with NRS 445B.830.4 and NRS 445B.830.6.

DAQ administers a variety of programs ensuring that air quality in Clark County meets federal health-based regulatory standards. The distributed funds continue to reimburse employee salaries and benefits for air quality improvement programs.

If you have questions on any of these activities, please contact Robert Tekniepe at (702) 455-4063.

Sincerely,

Marci Henson
Director
