July 17, 2018

Director of the Legislative Counsel Bureau  
Nevada Legislature  
401 S Carson Street  
Carson City NV 89701-4747

Director of the Legislative Counsel Bureau,

This report has been developed in accordance with Assembly Bill 89 of the 2017 legislative session which requires the Division to prepare a quarterly report that identifies the discharge location of each patient of a surgical center for ambulatory patients and compares the discharge location of patients of surgical centers for ambulatory patients in different geographical regions of this State. It also requires the Division to submit the quarterly report to the Director of the Legislative Counsel Bureau for transmittal to the Legislature.

Attached you will find a report, for the first quarter of calendar year 2018, showing the location of discharge for patients in Nevada's licensed ambulatory surgical centers and a comparison of the different geographical regions in Nevada.

One currently licensed ambulatory surgical center did not report (CY) 2018 quarter 1 data. Follow-up will be done with the surgical center regarding the lack of reporting.

Within the attached report, NULL means the description for that information came through with no value. This was an insignificant number at less than 1% of the total reported.

If you have any questions about the information provided in this report please do not hesitate to contact Leticia Metherell, RN, CPM, Health Program Manager III at 775-684-1045.

Sincerely,

Leticia Metherell, RN, CPM, Health Program Manager III
