Dear Mr. Combs:

Pursuant to NRS 439.877(4)(d) (AB280), which requires patient safety committees in medical facilities to report annually on the facilities review, revision, and usage of patient safety checklists and policies, the following is a summary of Sunrise Hospital & Medical Centers activities during July 1, 2016- June 30, 2017.

All checklists and policies were reviewed and a summary provided to the Patient Safety Committee in April 2017. There were no changes made to the checklists and three (3) policies required minor revisions. Attached you will find the report summarizing the specific checklists and polices reviewed.

Please do not hesitate to contact me or my staff should you require additional information.

Sincerely,
