December 7, 2017

Director of the Legislative Counsel Bureau
Nevada Legislature
401 S. Carson Street
Carson City, NV 89701-4747

Director of the Legislative Counsel Bureau,

This report has been developed in accordance with Assembly Bill 89 of the 2017 legislative session which requires the Division to prepare a quarterly report that identifies the discharge location of each patient of a surgical center for ambulatory patients and compares the discharge location of patients of surgical centers for ambulatory patients in different geographical regions of this State. It also requires the Division to submit the quarterly report to the Director of the Legislative Counsel Bureau for transmittal to the Legislature.

This report captures data for the second quarter of calendar year (CY) 2017.

Attached you will find a report showing the location of discharge for patient's in Nevada's licensed ambulatory surgical centers and a comparison of the different geographical regions in Nevada. Of note, there were six surgical centers, licensed during the reporting timeframe, that did not report the discharge data. These six are not included in the report. The Division of Public and Behavioral Health will follow up with the surgical centers that did not report.

If you have any questions about the information provided in this report please do not hesitate to contact Leticia Metherell, RN, CPM, Health Program Manager III at 775-684-1045.

Sincerely,

A handwritten signature in cursive script that reads "Leticia Metherell".

Leticia Metherell, RN, CPM, Program Manager III
