Chairman Hafen called the meeting to order at 11:45 A.M. by announcing that the Committee would consider SB 463.

Mr. Bailey said that he would have Mr. Richards explain the advantages to the Department of this bill. He said he was convinced that his people were right.

Mr. Richards spoke at length explaining that this bill would eliminate a lot of unnecessary bookkeeping procedures and give additional revenue by putting in a \$10.00 a month minimum to the highway fund by \$111,000.00.

Chairman Hafen asked if they were increasing the fee from \$5.00 to \$6.00.

Mr. Guinn spoke at length that the the way it is set up now has resulted from many years of study and planning and he, in effect, did not like this bill. They should at least eliminates line 3 to 23 on page 2. As he did not like this.

No action was taken. Committee agreed to have another hearing on this.

Committee adjourned for lunch and agreed to meet again the next day.
