Senator Raggio stated that only in serious situations should the court be mandate to do something. Senator Don Ashworth said the language in Section 9, lines 7 through 17 was too restrictive. Chairman Close stated he would get additional testimony from judges before making a decision on S. B. NO. 252.

SENATE BILL NO. 253--Allows district attorney to assess fees against applicant for child support or establishment of paternity who is not indigent.

Senator Hernstadt questioned if the testimony on S. B. No. 253 indicated putting language in the bill to the effect that any of the fees collected would be used for the development and enforcement of this program. Senator Raggio stated additional testimony was needed before making a decision on this bill. He said the district attorneys in Washoe and Clark County could supply some information.

SENATE BILL NO. 36--Relaxes requirements for assignment of prisoners to honor camps. (Exhibit D)

Chairman Close stated the way the wording of the present bill reads, if an assault is committed on anyone at any time, this bill would preclude that person from going to the honor camp. He suggested the wording be change from assault to battery. Senator Wagner stated the reason this bill was introduced is because there is considerable feeling for honor camps among the Senate Finance Committee and there will not be enough inmates for them if this restrictive language is left in the bill. Senator Raggio suggested language such as the following be put in the bill: has been convicted of an offense involving a serious physical or sexual assault within a period of three years. The bill was held pending additional information.

SENATE BILL NO. 223--Enlarges power of executor to designate substitute, alternate or coexecutor. (Exhibit E)

Chairman Close advised the committee that S. B. No. 223 was one of his bills. He said presently if a person is named as an executor of a will and for some reason is unable or unwilling to serve in that capacity, that person does not have the power to name a successor. (a) To deal, operate, carry on, conduct, maintain or expose for play in the State of Nevada any game or slot machine as defined in this chapter, or to operate, carry on, conduct or maintain any horserace book or sports pool;
(b) To provide or maintain any information service the primary purpose of which is to aid the placing or making of wagers on events of any kind; or
(c) To receive, directly or indirectly, any compensation or reward or any percentage or share of the money or property played, for keeping, running or carrying on any game, slot machine, horserace book or sports pool, without having first procured, and thereafter maintaining in effect, all federal, state, county and municipal gaming licenses as required by statute or ordinance or by the governing board of any unincorporated city or town.
2. It is unlawful for any person to lend, let, lease or otherwise deliver or furnish any equipment of any gambling game, including any slot machine, for any interest or any percentage or share of the money or property played, under guise of any agreement whatever, without having first procured a state gaming license for it.
3. It is unlawful for any person to lend, let, lease or otherwise deliver or furnish, except by a bona fide sale or capital lease, any slot machine under guise of any agreement whatever whereby any consideration whatever is paid or is payable for the right to possess or use that slot machine, whether the consideration is measured by a percentage of the revenue derived from the machine or by a fixed fee or otherwise, without having first procured a state gaming license for the slot machine.
4. It is unlawful for any person to furnish services or property, real or personal, on a contract, lease or license basis, pursuant to which that person receives payments based on earnings or profits or otherwise from any gambling game, including any slot machine, without having first procured a state gaming license.
5. It is unlawful for any person knowingly to permit any gambling game, slot machine or device to be conducted, operated, dealt or carried on in any house or building or other premises owned by him, in whole or in part, except by a person who is licensed hereunder, or his employee.
6. The provisions of subsections 2, 3 and 4 do not apply to any person:
(a) Whose payments are a fixed sum determined in advance on a bona fide basis for the furnishing of services or property other than a slot machine.
(b) Who furnishes services or property under a bona fide rental agreement or security agreement for gaming equipment.
(c) Which is a wholly owned subsidiary of:
(1) A corporation or limited partnership holding a state gaming license; or
(2) A holding company or intermediary company, or publicly traded corporation, which has registered pursuant to NRS 463.585 or 463.635 and which has fully complied with the laws applicable to it as such.
(d) Who is licensed as a distributor and who rents or leases any equip-
ment of any gambling game including any slot machine, under a bona
fide agreement where the payments are a fixed sum determined in
advance and not determined as a percentage of the revenue derived from
the equipment or slot machine.
Receipts or rentals or charges for real property, personal property or
services do not lose their character as payments of a fixed sum or as bona
fide because of contract, lease or license provisions for adjustments in
charges, rentals or fees on account of changes in taxes or assessments,
cost-of-living index escalations, expansions or improvement of facilities,
or changes in services supplied; and receipts of percentage rentals or per-
centage charges between a corporate or limited partnership licensee and
the entities enumerated in paragraph (c) are permitted under this subsec-
tion.
7. The commission may determine the suitability, or may require the
licensing, of any person who furnishes services or property to a state
gaming licensee under any arrangement pursuant to which the person
receives payments based on earnings, profits or receipts from gaming. The
commission may require any such person to comply with the requirements
of this chapter; and with the regulations of the commission. If the com-
mission determines that any such person is unsuitable, it may require the
arrangement to be terminated.
8. If the premises of a licensed gaming establishment are directly or
indirectly owned or under the control of the licensee therein, or of any
person controlling, controlled by, or under common control with the
licensee, the commission may, upon recommendation of the board,
require the application of any [business or] person for a determination of
suitability to be associated with a gaming enterprise if the person: [or
business:]
(a) Does business on the premises of the licensed gaming establish-
ment;
(b) Does business with the licensed gaming establishment as a junket
representative or ticket purveyor; or
(c) [Provides any goods or services] *Furnishes any services or prop-
erty* to the licensed gaming establishment for a compensation which the
board finds to be grossly disproportionate to the value of the [goods or
services.] *services or property.*
If the commission determines that the [business or] person is unsuitable
609 to be associated with a gaming enterprise, the association must be ter-
nminated. Any agreement which entitles a [business other than gaming to be
conducted on the premises, or entitles a person or business other than
gaming] *person to conduct a business other than gaming on the prem-
ises or* to conduct business with the licensed gaming establishment as
set forth in paragraph (b) or (c) of this subsection, is subject to termina-
tion upon a finding of unsuitability of the business or of any person asso-
ciated therewith. Every such agreement [must] *shall* be deemed to
include a provision for its termination without liability on the part of the
licensee upon a finding by the commission that the business or any person
associated therewith is unsuitable to be associated with a gaming enter-
prise. Failure expressly to include that condition in the agreement is not
a defense in any action brought pursuant to this section to terminate the
agreement. If the application is not presented to the board within 30 days
following demand or the unsuitable association is not terminated, the
commission may pursue any remedy or combination of remedies provided
in this chapter.
