

**PROPOSED REGULATION OF THE COMMISSION ON
PROFESSIONAL STANDARDS IN EDUCATION**

LCB File No. R181-97

December 4, 1997

EXPLANATION – Matter in *italics* is new; matter in brackets [] is material to be omitted.

AUTHORITY: §1, NRS 391.019.

Section 1. NAC 391.120 is hereby amended to read as follows:

391.120 To receive a secondary license, a person must hold a bachelor's degree and have completed:

1. A program of preparation for teaching in the secondary grades approved by the board pursuant to NAC 391.557 and 391.558;

2. Courses approved by the board pursuant to NAC 391.082; or

3. Twenty-two semester hours of courses in professional secondary or occupational education, as follows:

(a) Eight semester hours of supervised teaching;

(b) A course in the methods and materials of teaching a field of specialization; and

(c) If the endorsement is in occupational education:

(1) Nine semester hours in professional occupational courses, including 3 semester hours in cooperative occupational education, except for home economics , [and] industrial arts [,] *and technological education*, which require 6 semester hours in professional occupational courses; and

(2) Two years of verifiable work experience in areas of endorsement except home economics , [and] industrial arts [.] *and technological education*. One year of supervised paid work experience at a university or other facility approved by the department fulfills this requirement.

In addition to the requirements listed in subsection 3, the person must hold a valid license in the occupation for which the person is applying for endorsement if a license is required by state law to provide services to the general public.
