NOTICE OF ADOPTION OF REGULATION

The Nevada State Barbers Health and Sanitation Board, adopted regulations assigned LCB File No. R057-01 which pertain to Chapter 643 of the Nevada Administrative Code on December 2, 2001. A copy of the regulations as adopted is attached hereto.

NEVADA STATE BARBER'S HEALTH and SANITATION BOARD INFORMATION STATEMENT

The following statement is submitted for adopted amendments to Nevada Administrative Code (NAC) 643.

1. A description of how public comment was solicited, a summary of the public response, and an explanation how other interested persons may obtain a copy of the summary.

Notices concerning the adoption of proposed regulations were sent to all public libraries throughout the state at least 30 calendar days prior to the public workshop and hearing. The public workshop and hearing was also noticed in the Review Journal newspaper.

The number of persons who:

- (a) Attended each hearing; 3
- (b) Testified et each hearing; and 0
- (c) Submitted to the agency written statements: There were no written statements submitted to the board.

2. A description of how comment was solicited from affected businesses, a summary of their response, and an explanation how other interested persons obtain a copy of the summary.

Notices concerning the adoption of proposed regulations were all posted, and the board received no public comment. No written comments were received.

3. If the regulation was adopted without changing any part of the proposed regulation, a summary of the reasons for adopting the regulations without change.

No one submitted comments, therefore the board adopted the changes as posted.

4. The estimated economic effect of the regulation on the business which it is to regulate and on the public. These must be stated separately, and in each case must include:

- (a) Both adverse and beneficial effects; and
- (b) Both immediate and long-term effects.

Regulated Businesses: The estimated immediate economic effect would be an additional \$10 for the inspection of a new Barbershop.

Public: The businesses may pass some of its increased costs on to the consumer but it is estimated that the economic effect, either adverse or beneficial, immediate or long-term, would be minimal.

5. The estimated cost to the agency for enforcement of the proposed regulations.

There is no additional cost to the Board for enforcement of this regulation.

6. A description of any regulations of other state or government agencies which the proposed regulation overlaps or duplicates and a statement explaining why the duplication or overlapping is necessary. If the regulation overlaps or duplicates a federal regulation, the name of the regulating federal agency.

There are no other state or government agency regulations which the proposed regulation duplicates.

7. If the regulation includes provisions which are more stringent than a federal regulation which regulates the same activity, a summary of such provisions.

The regulation contains no provisions which are more stringent than the federal regulation which regulates the same activity.

8. If the regulation provides a new fee or increase an existing fee, the total annual amount the agency expects to collect and the manner in which the money will be used.

Based on the fact that we have no set fee for the renewal of an instructor's license a fee must be set for the renewal of this license, and the fee must be established for the initial instructors license. Based on the number of new barber shops in 2000 the board expects to collect an additional \$100. The money will be used to defer the additional costs of day to day operations of the board.
